

Crane [A4 size 5 pages]

A wide range of different origami has been enjoyed in Japan since ancient times.

With the "crane" pattern, you can make a crane with a long beak and large wings.

The letters in blue circles indicate the fold lines. They are also shown on the practice sheet.

Start

Fold in half along line A.

Fold in half again along line B.

Flatten out the folds.

Fold the lower right triangle in half, folding upward along line C.

Flatten out the folds.

Unfold the triangle back to its original position.

Open up the triangle.

Flatten the triangle to obtain a square.

Flatten out the folds.

Turn over.
